

July 8, 1940

Dearest Laine,

Here is the letter you have been waiting for for so long. I feel like a snake in a rope trap for keeping you waiting so long but it is a short time to the side of two years. Have you changed your mind, if so well.....

The helper on the morning shift was fired for not being to work on the 5th of July. Since then I have been working from 8 A.M. until 5 P.M. This is a better shift for fifteen reasons, the other shift is better for only fourteen. In this country the majority rules.

The weather is hotter down here because the wind don't blow, but I suppose there is a decrease in temperature the last few days in Cache County.

We made good time on the way when we were driving but it was 7:30 when I pulled in.

What do you think of the river bottom by now? are you in love with them so much as when we first went down?

Tell Grandma to keep smiling as she has always smiled and hello.

You keep smiling until I see you in the
near future.

Faithfully yours
T. Grand.
