

Dearest Erlene,

No nothing has happened to me
nor I am not ill. I have no legitimate
Reason for not writing to you sooner other than
time flies so fast that I have a hard time to
keep up in step.

Since I seen you I moved to Lake
Point. My address is just the same in so much
as the same Mail Carrier delivers mail to the
same place.

Erlene I admire and look up to you
as a Queen in so much as you are always trying to
keep me sticking to that straight and narrow
Path. "If Paul made a right about turn from
his evil doings why can't I?" Is the question that
has been running through my system since I
seen you. My conclusions are that no power on
this earth is strong enough to prevent me from
doing ~~the~~ the right.

Faithfully

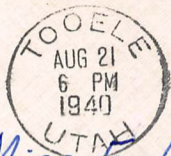

Respectfully

Truly

Forever yours,

Edward
