

My Dearest Celina,

Saturday P.M.

One week ago Henry is rolling into Logan, tonight he is setting in the coldest country in the world. The radio has been playing music that makes my soul move to Logan.

Dad wrote & told me they were having my farewell dance Jan. 4, & my Testimonial Jan. 5. How does that sound to you? maybe that is the best arrangement that can be made for you & me to; then I can work until about New Years. You can still 3 birds with one stone ~~of~~ in one week end.

It is now 8:30 & I have to be to work at 6:30 in the morning so it is best that I save the rest of the paper ~~to~~ in case I think of something special before mail time.

Sunday 6:20 P.M.

Say do you know the weather is cold today and for the last week. While I was driving east today I rode the exhaust pipe because there was some heat there.

Now radio & walking, now that he knows what I am thinking there will be a little silence as Wendell & ^{Frank} ~~we~~ went to S.L. Friday to get that knot, so we have

been cooking our own grub for the last few days.

Ernie I received one letter from you last week; ~~and~~ I know why you haven't sent more - if you haven't - that is because you have so much sewing to ~~do~~ do, whenever you have a minute ~~will~~ will you just a word on a paper & send it to me just so this system of mine will know you are O.K. Thanks, for all you have done for me, Please don't try to do any more than you have done, because ~~the~~ these guys don't expect half of what he gets.

May God help me to keep on that straight and only track, so I will be worthy of accepting you as a partner at the day that is in the near future.

May God ~~also~~ bless you with health - the most valuable ~~pos~~ thing in the world. so you can keep happy.

Good night Sweetheart, I am keeping you on the top of my thinking list at all times,

Faithfully & Lovingly forever,
Tedrand.
