Dear Eline,

Two in one week, well how could you stand it? Anyway this is Sunday evening with a few odd seconds so here comes a report to let you know just how this fellow is weathering with a moon so big shining through a clear blue sky with an occasional cloud to add a high light.

We are Ministers of the Swit! Do you know that? Well according to our friend who is minister of the Methodist church we are. 3 girls (9, 11, 13) who was going to his church a year ago started Primary about 2 months ago.

Since then we had occasion to  
contest their ~~parents~~ Parents & explain  
a good strong foundation of Mormonism.  
The father & Mother quit drinking Coffee  
& she never smokes - The Children have  
quit attending the Methodist S. S.

The Reverend visited the family &  
& poured on lots of that Anti Mormon  
stuff & happened in with <sup>an Anti Mormon</sup> ~~an~~ <sup>while we were there</sup>  
Book 1 one night (last Tuesday). ~~But~~  
you know, it was as good as a  
Picnic to see the expression on his  
face when he seen us but he left  
the book & after about  $\frac{1}{2}$  hour left.  
Fore long I expect that they will all  
be Baptized together, if it is the will  
of the Lord that they should be Baptized.

The Methodist Minister must

have been preaching to other children  
because a number of children who were  
attending primary seem to have been  
absent since Xmas & they were Meth.

Someday this old fellow will know  
better, but one can't hardly expect any  
different because he is loosing his  
bread and butter. He has a family  
and one would expect <sup>him</sup> to do all in  
his power to provide ~~P.~~ for them.  
Even anyone will do all in his power  
to make his business a success,  
and he is exerting all his book burning  
to do so this time.

Well the Lords work will go  
forward and it is up to us as  
missionaries and members of the  
kingdom of God on earth to do all

in our power, by the way we live  
and act, to help it go forward.

Well best time once more so  
will sign off for now with car loads  
of love for you. Thanks for writing as  
often as you do, keep up the goodwork  
and continue to smile.

Those pictures are swell of you &  
Bessie. Treat Elizabeth as a sister, they  
have to be a friend before they're a Convert,  
and I'm sure she will be a Mormon some  
day-

May God help us to do his will  
and keep his commandments so we  
may be together ~~in~~ when the moon is  
full ~~in~~ about 13 more times.

Faithfully & lovingly yours,  
Elder Leonard Whipple
