

9:40  
Wednesday evening

Hello there Dear Wife -

Stand by for a short line from this handsome young fellow down in Texas. I put on one pair of garments that you sent last evening just before supper & find that they fit perfect. they were a little large at first I mean small or tight but soon as I took to sweating they stretched to the right fit!

This evening I went to a G.I. movie on my own bitch rather than writing letters over in the dog room. The films they showed was a lot of restricted pictures on the Russian German Air Campaign and on Iwo Jima - About 95%

Propaganda I'd say - The only good thing about the deal was I could go to sleep & not have some Officer come along & wake me up.

A letter from you - Shewin & your Mother came this evenings mail call - I called out the mail & it sure seemed good when I came to three with my name on.

Well this is another short letter but it is enough to let you know that I am remembering you and the Boy.

So long for now - Sweet Dreams sweetheart. May the Lord bless you with every righteous desire of your heart.

Hugs & Kisses to you
