

Tuesday 10:45 P.M.

Thanks Dear -

For for the cracker jack, Candy bars, clothes hangers, garments and news Paper that I recieved in the noon mail call -

This Army life is pretty tough on these city boys who have been used to 8 hours then having the rest of the time to themselves. Nice 6:00 A.M. Clean Barracks latrine, Police papers around Barracks then be to work by 7:30 - Busy till 9:30 then gone to clean - Shoes to clean and 500 other jobs.

Its about Bed time now but its merely a continuation of farm life that I had in Montana. Good old Montana but I've about forgotten about the place as a home I'm

about converted to Texas now. Good &
warm - green trees the year around -
Rain instead of snow lawn the most
of the year - Man I can think of
a list from here to Utah - good things
about Texas - But you can wager
your last nickel that I'd stay in
Utah when I get to that end of the
list. Just a Wife & Boy is worth
more than this whole damn State
Well its bed time so will close
for this evening with lots of
love to you all -

Smile -

Strand -

Some just asked "Who
don't like the Infantry - ? Well
Join the Air Corps -"
