Dear Wife & Son -

How for a short line this Sunday after noon - pull over a chair - better still there is the over stuffed set that we could use. All set no. draw yourself a little closer and the boy will hold him and let him play with my dog tags for amusement.

The weather, well lets pretend that its plenty cold outside & we have a good fire ~~and~~ with a big box full of wood. Maby we could take the popcorn Popper in hand till ~~we~~ we had a good Pan of salted corn.

Maby we could even have a good book to read. Or some other interesting thing to do.

Did we go to church - yea we have been home for an hour or two

Just long enough to have had
our dinner of good homemade cookies
and bread along with a little milk.

yes. what a beautiful idea but
an idea for me is in the wrong
place for me so a better treat it
Pretty good.

This army is rough but this
day I had the opportunity to attend
church another time. I am not so
sure just how long I'll be able
to attend church every day so I
attend every time I have a chance.
I'm about as sleepy as a
fellow could get. I think I'll
find a place to relax—

So long for now
Edward.
