Say if you run on to a couple
more pairs of Garments like you
bought for me catch them.

laundry with a hole in the back
so I have some needle-work to
do in the not too far distant
future.

I would wash all of my own
if they would dry over night.
It takes two or three nights for
them to dry & when they lay over
day in my foot locker they begin
to mold-

Light out - Goodnight
