

Sunday Morning

Yes and a beautiful morning in Texas. We received three drops of rain night before last. now I am under a fan in this North Oak USO club. All in all it is a good deal. Wish you could be here to really enjoy how good it is to sit under a fan for a short spell. But you couldn't appreciate fully how good a fan feels till you was out in the hot sun all week.

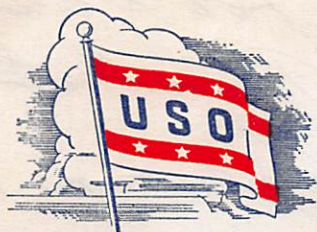

This morning you are all

ready for Sunday School no doubt.
Well So am I. It is 9:20
so I have a few short minutes
to spend before SS starts.
It really does my old soul good
to be able to attend church.

I received your letter with
that Blank Recommendation. It
came in yesterday's mail.
The letter is in my foot Locker
at Camp so I will have to send
it to you before too long now.
Last Sunday I sent Tything in
& asked for recommendations for S.L.C.
& Logan Temples. That will
maybe be here before too long
for me to sign and fill out.

My mind don't seem to work to well this morning for some reason. Maybe because I'm dreaming how good it is that the war is so near over as it is and that some day in the not too far distant future I will be able to walk in on you and the Boy + be able to be with you for a spell -

Did I tell you that next week end our Manovera start. Well that means that we

Will be in the field for 2 weeks.
Out four days then Pass the Barracks 4 hours long enough to
Shower etc. Out another 4 days
& back to Barracks 4 hrs -
then out 4 or 5 more days -
I don't know exact Plans of
activity but we will sleep out
most of time for 2 weeks -
maybe all the sleeping we do
will be outside. So when a
letter fails to get to you
remember that I am still
thinking of you & the fine
big boy -

So long for Now -
Love you's

Smile
Leland -
