Dearest Wife & Son -

By the time you receive this letter this fellow will be some where between Texas & ~~to~~ Oregon. Now that the war is over they can tell us our new address long before we get there

Camp Adair, Oregon -

Now you have heard all the news what do you want to hear - As yet I havent found out when I will hit Ogden or Logan. Only so far as I know I received the best deal of anyone that I have talked with on this delay enroute. I go the most direct

route to Ogden & will be here for
two weeks and three week ends.
That of course is a tentative
schedule & nothing definite for
sure at all on the time and
days. Only we are booked to
report 4 October 45.

Well this is no doubt a
long enough letter so here is
to ~~do~~ close for this time.

Lots of love & hugs & kisses
to you & the boy -

Keep Smiling
Ted Grant.
