

3 October 45

Greetings from California,

Sacramento this A.M. at
7:05. Course we have been here
for just $\frac{1}{2}$ hour but it has all
the car marks of a city to my
motion. Noise - tumult - and all
that goes with it. 15 or 20 taxi
drivers competing with one another
to get a few nickles.

From Ogden to Sacramento we
had a good or I should say a
fair ride on an old time car.
I think the car was among the

THE YOUNG MEN'S CHRISTIAN ASSOCIATIONS • THE NATIONAL CATHOLIC COMMUNITY SERVICE
THE SALVATION ARMY • THE YOUNG WOMEN'S CHRISTIAN ASSOCIATIONS
THE JEWISH WELFARE BOARD • THE NATIONAL TRAVELERS AID ASSOCIATION

first to go into service for the
S.P. R.R. - Maybe it was the car
that Grandma saw road when she
came west.

Other than a little sutt and
smoke things went pretty well. It
fell my job to hold down 4 seats
all the way from Ogden. So I was
able to get a little shut eye way
the way.

By now suppose the boy has
forgot all about the bus and buggy
deal and is content with playing
with his blocks and books again.

There is still a little time left ~~but~~
there isn't much to say so call done
for now & take a short look at the
city.

Love to my wife & son
