

14 March 1946

Dearest wife & sons.

Just a few lines this evening
to let you receive a letter when you
go to the mail box in perhaps one
or so months from now -
Yes, this is a great old life - It
fell my lot to pull guard on three
and off 8 hours - so far this week - Just
how long it will go forth will never
remain a mystery - and I am no doubt.

At the present time, so far the
Past few hours the short wave radio
has been carrying some good music

straight from pieces and Los Angeles -
Calif. There has been some good radio
reception this night so far -
music and news from nearly
any part of the dial that the needle
stops.

Some nights I am able to
study from the radio book and
learn a lot but other nights its
just opposite - This night is
one of the nights that I
am unable to get anything out
of what I read. I am homesome
tired of being here and five

thousand other things - the sense
that I have been picking up has
my old system longing to be
in the Rocky Mountains.

It will no matter what
comes or goes one thing will
remain the same and that's the
Gospel. If a fellow sticks to
the truth as he knows things
will turn out for the best when
we really get the things that
count or discount. Yes, the
days and months are slow
and dependant. But they are

Nothing compared to what
eternity is or will be. So the
things that really count are
things that will remain with
us throughout eternity - So our
 Motto should be "Build for
Ourselves Treasures in Heaven" - Treasures
that remain to the end.

Well Sweetheart you know that I
love you - In case you would like
to hear it again here it comes I love
you Sweetheart Give the boys a
big hug for me this evening
and remember to smile.
Your Husband.
