

#564 - 22 APRIL

Greetings sweetheart:

from Japan and the last letter from

this side of the good old earth - Yes 564 will be the last letter I expect to write unless something unforeseen comes up in the near future.

Yes you by now or by the time you read this letter have had a telephone call by Logan boy I met at Fort Douglas. Any way he is going home to America by air and I am scheduled to go by ship. Yes, they assigned me to go to U.S.A. by the "General Bliss" - Perhaps by 15 or 20 of next month I will be in America with my sweet little wife & sons -

They have me on the books to be discharged at Fort Lewis, Washington. So that is all I know - except the ship should sail on 24th of this month.

Oh yes, all mail from now on address to 265 North 3rd East Logan Utah or Dayton, Ohio either place they will catch up to me -

1199 Will I will bring this short line
to a high Powered halt with a short reminder
to my Sweetheart that I love her & the boys.
Remember I love you Sweetheart.

Keep smiling
L. Hand
